RV Rentals

CLEANING INFORMATION SHEET

Your Rental Agreement with us requires you to return the vehicle to us in a clean re-rentable condition. We understand that sometimes this may not be feasible for all of our guests. If you are unable to clean the RV, or the unit is not returned cleaned properly, you will be charged our cleaning rate of \$90.00 per hour, billed at 30 minute increments, with a half hour minimum charge. Here are some guidelines to help you with cleaning our vehicle.

EXTERIOR

We only ask that you clean the front end of the RV. If you use a high pressure hose or nozzle, make sure where there are graphics, you aim “straight on” as opposed to at an angle. High-pressure water can get behind the graphics and cause it to become loose. Replacing graphics on a motor home can be very costly. We look for general cleanliness; no road dirt or tar, no bugs or dirt on the windshield, etc.

INTERIOR

The vehicle needs to be as clean as when you received it. This means no soil on the carpet, in the sinks, toilet, or shower. Cleaning products will be included in the RV, but should you decide to purchase additional products, non-abrasive household cleaners work well. Brand name products such as 409 or Cinch perform most jobs well. **DO NOT USE ABRASIVE CLEANERS SUCH AS AJAX OR SOFT-SCRUB!** They will cause scratching which may require us to replace the component.

HOUSEHOLD ITEMS

We ask that any household items, such as dishes, silverware, cooking utensils, etc., be cleaned and placed back into the cabinets upon return. All bedding and towels can be left in place, on the beds, in the bathroom, or in the hamper provided.

WASTE TANK EVACUATION

It is important that the waste tank be evacuated prior to your return. Waste tank deodorizers are included in the RV for after the tanks have been emptied.

NOTE: If you have indicated that you will be bringing the vehicle back clean, we expect it to be brought back in a clean and re-rentable condition. Due to this, your vehicle will be scheduled for a very quick turnaround. If you are unable to bring the vehicle back clean, we kindly just ask that you let us know as far in advance as possible so we can factor this in for our rental turnaround time.
